## **REQUEST FOR INSPECTOR**

All blanks must be completely filled in before any request can be honored. An inspector will be provided, depending on availability. A minimum of 30 days is required for scheduling from the receipt of the request to the date of Confirmation of Inspector. Please allow for this time frame when determining the start date for construction. BE ADVISED: Should a project require more days than originally requested, the Railroad cannot guarantee availability of additional consecutive days. The project will be shut down until further arrangements can be made according to our inspector schedule. Project Location:    Municipality/Township	Date of Submission:	R166	rev 1/2021 JFB
Railroad Mile Post and/or Street Location:  Project Type: [] Pipe Installation [] Wire Installation [] Bridge Inspection [] Vegetation Management Other:  Details: Purpose, nature of occupancy, type of equipment to be used, how contractor will access site.
